Congratulations Once Again – Gary Dixon!!

“RELUCTANT DIXON IS CLUB CRICKETS BEST” is what headed up the article in Tuesdays 'The West Australian' following Gary Dixon's victory in Monday nights Olly Cooley medal count for being the WACA's champion cricketer.

Gary became the clubs first winner of this prestigious award and polled a total of 19 votes defeating his nearest competitor, Matthew Johnson by 3 votes, followed by Scarborough's Justin Coetzee and England County player Michael Yardy, who both polled 15 votes.

Although Gary wasn't there on the night to collect his award, the club was 'handsomely' represented by some of his team mates (see below).

Along with joining the prestigious list of previous winners of the clubs Paul Lucas Medal, Gary now also joins the very elite list of winners of the Olly Cooley Medal.....

ONCE AGAIN, WELL DONE DICKO!! YOU HAVE DONE YOURSELF AND THE CLUB VERY PROUD!!

Grand Final vs Bayswater-Morley

Following in the steps of our already victorious Colts and National Twenty20 champions, the Under 13's have produced another flag for the club!

In what can only be described as a terrific team effort, the WDC Under 13's team has taken out the 2008-2009 premiership by defeating Bayswater Morley in Sunday's grand final.

The club wishes to congratulate the boys on their tremendous year, and hope they enjoy their success throughout the winter months

Under 15's

First Final v Willetton

15's ONE STEP CLOSER TO THE ULTIMATE PRIZE

After losing the toss in our 1st final against Willetton, we were asked to bowl on a windy and warm March day on Kingsway 1. Our opponents started well and we were staring down the barrel of a big run chase at one stage. To our immense credit we fought back well to restrict Willetton to 198, which had not seemed likely early on. We also dropped their leading scorer several times during his hard hitting knock, and must learn to grasp our opportunities when presented if we crave success. Aaron Murphy was our best bowler with his first ever 3 for, while Nicol, Dzodzoz, McDonald and Morton took 1 wicket each.

Our run chase provided many mini heart attacks but our tenacity won out in the end. With 7 down we passed their score with 15 overs still available (ending on 200.) 2 innings stood out head and shoulders above the rest. Skipper Christian Smith continued his sparkling form with a dominant 68. Perhaps even better than Smithy was the innings of Julien Feehan. His 85 not out contained examples of exemplary batsmanship, and the boundaries where he appeared to merely caress the ball were absolutely outstanding.

One victory down but still 2 more to go to climb the summit of success. The tension is building and we must keep our cool and remain professional so as not to get ahead of ourselves. Please wish us all the best in our continuing quest. Cheers.... Duncan Smith

Second Final v Midland-Guildford

GLORY GRAB PICKS UP ANOTHER HEAD OF STEAM

In the 15's crucial elimination final against Midland Guildford our skipper won the toss and elected to bowl on a superb day for cricket. Our quicks were a little bit off the boil, but some sharp fielding and a great effort from our slower bowlers enabled us to keep our foes down to a gettable 164.

Hayden Morton bagged a great 4 for 13 with his left arm darts, and wicket machine "Egor" Macdonald picked up 2 for 44. Matt Dzodzoz and Ryan Parker both got a wicket, and bowled very tightly when we needed it most.

Our run chase faltered at stages but the target always seemed reachable given our fantastic batting depth. Alex Burton again looked accomplished but sadly lost his wicket at 31. The match altering partnership was from Peter Morcom and Julien Feehan, who notched 50 and 41 not out respectively to see us safely into a Grand Final berth. Peter grafted well with some deft stroke play, and Julien was again a sight to behold as his blistering form continued.

It will be a long week as we count down to our Grand Final appearance, and one we are massively keen to convert to a well deserved premiership flag. Just one more huge effort boys and hopefully the sweet taste of victory may be ours.

Cheers to everyone.....Duncan Smith

Quiz Winners

Last edition, the question was;

**There are 7 girls in a bus.
Each girl has 7 backpacks.
In each backpack, there are 7 big cats.
For every big cat there are 7 little cats.**

Question: How many legs are there in the bus?

And the winners were (in order of getting the correct answer to us)

- 1) Warren Beckwith (who was worried that his position as Quiz Master would be in jeopardy if he didn't get it right)
- 2) Graeme Atkinson (runs, wickets, good looks and brains.... Who knew?)
- 3) Alistair Smith (took a few goes' but he got there in the end)
- 4) Nathan Henry (is it engineering your studying? Typical, took his time and nailed it first time)
- 5) Daniel Peters (just like his batting, very reliable and solid performance)

Although we asked for 10 winners, we only received 5! But that is ok, as we only need 4 scoreboard attendants for the senior games!

So congratulations guys, you have all won scoreboard duty for season 2009-2010!!

For those still trying to work it out, the correct answer is 10,990 legs!

Here is this editions quiz question. Don't worry it's an easy one with another great prize awaiting the first 10 correct answers emailed in to rewsnoos@westnet.com.au

Can anyone knock Warren off his perch??

'Here everything is not always in order. For example, Friday comes before Thursday, the cart comes before the horse, the driver comes before the employer'

Do You Know the Rules?

Law 35 (Hit Wicket) Sections 1-3 only

1. Wicket put down

(a) The wicket is put down if a bail is completely removed from the top of the stumps, or a stump is struck out of the ground by

- (i) the ball.
- (ii) the striker's bat, whether he is holding it or has let go of it.
- (iii) the striker's person or by any part of his clothing or equipment becoming detached from his person.
- (iv) a fielder, with his hand or arm, providing that the ball is held in the hand or hands so used, or in the hand of the arm so used.

The wicket is also put down if a fielder pulls a stump out of the ground in the same manner.

(b) The disturbance of a bail, whether temporary or not, shall not constitute its complete removal from the top of the stumps, but if a bail in falling lodges between two of the stumps this shall be regarded as complete removal.

2. One bail off

If one bail is off, it shall be sufficient for the purpose of putting the wicket down to remove the remaining bail, or to strike or pull any of the three stumps out of the ground, in any of the ways stated in 1 above.

3. Remaking the wicket

If the wicket is broken or put down while the ball is in play, the umpire shall not remake the wicket until the ball is dead. See [Law 23 \(Dead ball\)](#). Any fielder, however, may

- (i) replace a bail or bails on top of the stumps.
- (ii) put back one or more stumps into the ground where the wicket originally stood.
